PROFESSIONAL SUMMARY

Information Science and Engineering graduate with intermediate Java knowledge, including object-oriented programming, inheritance, exception handling, and collections. Familiar with Python, Android application development, SQL, and networking fundamentals. Built an offline Kannada–English translation app and a secure digital land-record system. Interested in software engineering for mobile and connected platforms, with a focus on problem-solving, reliable implementation, and teamwork.

Technical Skills

- **Programming Languages:** Python
- **Data analysis :** Pandas, numpy, matplotlib
- **Networking :** OSI Model , Ethernet , switching, IPV4/IPV6 addressing, networking, basic connectivity
- **Fundamentals of AI/ML**

Academic Projects

IndicTrans — Offline Kannada–English Translation App | September 2025

- Developed an Android application using Java and SQLite to support Kannada–English translation offline.
- Integrated speech-to-text input and text-to-speech output for voice-based interaction.
- Stored translation data in SQLite and implemented retrieval for use without continuous internet access.
- Applied language-processing concepts, sentence structure, language differences and text normalization.

Secure Land Registration System | February 2025

- Developed a web-based platform to manage and verify digital land records using Python and SQL.
- Designed database structures to store, retrieve, and track land ownership and registration details.
- Implemented authentication and input validation to support secure access and data integrity.

Certifications

- **CCNA: Introduction to Networks** — Cisco Networking Academy
- **Cyber Security Fundamentals** — security principles, threats, risk management, and data protection
- **AI-Enabled Applications for Customer Service** — introductory AI tools and automation
- **Data Analysis** and **JavaScript** — IBM SkillsBuild

Education

- **B.E. in Information Science and Engineering**
- New Horizon College of Engineering, Banglore
- **Graduation Year**: 2026 | **CGPA: 8.12**

Soft Skills

- Teamwork
- Communication
- Quick Learner
- Time Management
- Analytical Thinking
